The Society operates from the Anglers Rest site within Bamford village, in the Derbyshire Peak District and delivers various services for the benefit of residents of Bamford, the wider Hope Valley and visitors to the area. The BCS is a socially responsible business committed to commercial success whilst upholding the highest standards with regards to business operations. This policy forms part of those standards of good practice.

The Anglers Rest café has been established as a venue for displaying and promoting original work by local artists.

The term 'local' refers to artists or artwork with a Hope Valley connection.

Artwork can be in any medium (painting, pottery, mixed media, felt work, stitching, poetry, etc.).

Work may be displayed either for exhibition or for sale. Where work is offered for sale, Bamford Community Society will take a commission of 25% on any work sold.

Work will be displayed for a stated period of time (e.g. not less than one month and not more than two months, or until sold)

Work selected will be chosen according to space available and suitability for a family environment and to ensure a balance of work at any one time.
