### The World Cup!

Next month is going to be great with the World Cup. Don't scream and rage at the TV screen at home alone. Come to the Anglers Rest where all the big qualifiers, all the second stage matches and all the finals will be shown on the big screen.

We are of course opening late, or early, to accommodate the matches. Bar, food and snacks will be available until 1.00am for the late matches. We will be having a large screen and there will be drinks promotions on for all the matches. Any supporter wearing the national/fancy dress of one of the competing countries that night will only have to pay £2.50 for a pint of Budweiser or Black Sheep for themselves. Will anyone be brave enough for the Brazil match???? There will of course be a sweep stake... feeling lucky?? Should be great fun and you never know....if pigs do fly then maybe England can do it too.....fingers crossed..

For details of the promotions and match times, please see the schedule in the pub.

Please note that on **Friday June 13<sup>th</sup>** the Spain v Netherlands match will be shown in the cafe as there will be live music from The Vendettas playing in the pub from 8.30pm. An embarrassment of riches!

## Official Unveiling of the Map

On the 21<sup>st</sup> May we held a low key unveiling of the large wall map in the café. The map was funded by one of our shareholders, Dick Stockford, from Holmfirth. Dick bought his share in the Anglers Rest in memory of his walking companion, Peter Currie, with whom he had happy times and fond memories of the Anglers Rest. Dick went on to make a further donation which has been used, in part, to purchase the wall map and he gave us a perspex plaque for the map with Peter's name and dates and the quote 'Walk beside me and be my friend' (Albert Camus) which aptly and touchingly describes the nature of their relationship.

Peter's widow, Claire, travelled all the way from Norfolk to see the map. Here, together with Dick and his wife she was joined by a few of the staff and Directors, after closing time in the café, for a glass of English champagne. We were honoured to be able to join them in raising a toast to a very much loved and missed husband and friend. Peter's widow, Claire, will always be welcome in our village!

## Members List

We would like to publish a list of members names on the website. This would help other members to identify each other when it comes time to nominate Directors and carry out ballots etc. We would not publish any details such as number of shares purchased or contact details. If you have any objection to your name being added to this list please let me know by the end of June by email (bcscompsec@gmail.com) or letter addressed to Julia Bigley c/o the Anglers Rest.

## Pub News from Amanda

May has been a strange month following on from Easter and with the two bank holidays with mixed weather. It has been a stressful time for lots of our hardworking staff who are in the middle of their exams.....we know they will all do well and wish them luck..... Some of you went away to make the most of the bank holidays whilst some folk stayed and chilled with us here at the Anglers Rest. We had some good beers, with Pigs Do Fly from the Potbelly Brewery proving very popular even with the strange name!! We saw Tom and Freya tie the knot this month and there were one, two or maybe three stag / hen nights here in the pub which were good fun for all involved - congratulations to the lovely couples... We saw a few sore heads after a fun session following on from the Bamford Football Team collecting their trophy from the dinner at the golf club.....Space and polish ready for the Trophy now boys.....And finally, we ended the month once again with a great band...The Young James Jones Trio who entertained us all with their mix of music and the fabulous visitors they brought with them .... all dressed to the nines and dancing away...great night for everyone...can't believe some of you missed it!!

## Meetings - A polite request

A request from Amanda - If you plan to hold a meeting in the pub or café it would help us plan our staffing levels better if you could let Amanda or one of the bar staff know. We love to have you at any time but it helps us to serve you better if we are prepared. There have been occasions when several meetings have all taken place on the same evening when we were anticipating a quiet time in the bar and had minimum staff available. Thank you.

## Gardening Group

The spring bedding plants have now been replaced with the summer ones, and by the time you read this, the hanging baskets will be up. Thanks to all the volunteers but in particular Charlotte Farrell, Jill Hopkins and Jill Rosier for growing on the plug plants and David Hughes for putting up the drip watering system. Special thanks to John Walton for his support through the High Peak Borough Council Councillor Initiative Funding for funding the drip watering system. A crab apple has been planted in the round bed, funding by Bamford Gardening Society and we are planning to spend the rest of their donation on an Acer for the semi-circular bed in the autumn.

The next working party will be 2-4pm on Sunday 15th June, when we will have a skip to get rid of the accumulated waste from recent working parties, plus we are planning to start work on the area above the back wall of the car park. We would really appreciate help at this working party. The group is a mix of people with a wealth of knowledge and enthusiasm, extra members always welcome, whether you are able to do any practical work or just offer ideas. Contact Sally Soady ([soady@dial.pipex.com](mailto:soady@dial.pipex.com)) or 01433 650279) or David Hughes.

## Directors Drop In Session

The third Directors' drop in session will be in the snug on Saturday 21<sup>st</sup> June between 7-8pm.

## Thank you!

Following our first 6 months of trading it seems like an apt time to say "Thank you" to every single person who has given up so much of their time to make the Anglers Rest such a success. In particular all the handymen such as the DART team (David A, David R and David T) and the gardening group. There are too many of you to mention by name but we appreciate all the time and effort that has been put in. I am sure there is plenty of hard work still to do but we have made a tremendous start!

## Carnival

We would very much like to have an “Anglers Rest” float in the carnival this year. Unfortunately neither the staff nor Directors feel that they have any spare time to organise this. We wondered whether there were any members who would like to take on the task? If you think you could spare the time for this then please let me know by email: [bcscmpsec@gmail.com](mailto:bcscmpsec@gmail.com)
